Members are invited to contribute to the day by bringing as many pans of dwarf bulbs and early

flowering alpine plants as possible. Every contribution increases the value of the display for

others. Please bring as many pans of bulbs and alpines as possible. Plants will be grouped into

'classes' on the morning between 9 am and 10 am. The usual rule of one pan per class per exhibitor

will be waived. No prize money or points will be awarded. Space will be available for cut flowers

of plants which members do not want to disturb in the garden. **Please bring your own vases for cut**

flowers. Members may also stage small exhibits of several pans to show variation in species etc.

Contributions are invited to the 50:50 plant sale, which will be held to cover expenses.

Members are asked to help with the teas and plant stall as this day is organised by the Bulb Group

rather than a local group, and the Bulb Group's activities benefit all members.
