

# Christmas Greetings from Kevock!

Kevock  
Garden  
plants

November 2013

What are you going to give Great-Uncle Ethelred? Or your sister-in-law in Latvia? Or the grandfather who already has a belly-button warmer?

We can make life easy for you with one of our Gift Tokens, enabling them to receive their own selection of plants, at a time that suits them.

*(Meconopsis punicea)*

*(Primula melanatha)*

The Gift Tokens not only solve that tricky Christmas present problem, but are also a great idea for Birthdays, Anniversaries and general gifts as well.

Just go to the web site ([www.kevockgarden.co.uk](http://www.kevockgarden.co.uk)), then to the new store (which now uses Paypal) and you will see the Gift Token tab on the left.

We will send out plants and Gift Tokens until December 18<sup>th</sup> and then start again on January 6<sup>th</sup>.

We hope that when you have time over the festive season you will have a look at our new store and browse the plant list and enjoy planning your own garden for next year.

## **Kevock Garden News**

There is still lots of action at the nursery and we have just finished sending out the *Trillium* orders. In the New Year we shall be sowing seeds again – an exciting time, as we have gathered some wonderful things to sow and these will hopefully be available later in the New Year.

It is also the time for planning our displays at Harrogate, Chelsea and Gardening Scotland with lots of work going on already. In the New Year we will have our catalogue of bulbs and plants for delivery in Spring, flowering from next Summer and you will also be able to order these through the new store.

We hope you enjoy the end of this year with good times with family and friends and we send our best wishes for a Happy New Year.

Stella and David Rankin and the team at Kevock
