

Kurt Vickery Monocot seed list August 2015

Welcome to the 2015 main seed list

All cultivated seeds are from hand pollinated and or isolated plants unless otherwise stated. W/C means wild collected, o.p. means open pollinated
Items marked with an * are in short supply .Those with a red* Should be sown immediately as they have short viability under normal storage conditions .
Items marked ** are likely to sell out within hours of this list being e-mailed.
*** Speaks for itself!

Numbers in brackets refer to the number of seeds per packet, some of these will be very few, so please pay careful attention to this before ordering
I will update stock levels each Sunday, just e-mail if you want to know the latest info.

Prices are £ Sterling

I CAN NOT accept non Sterling cheques. Cash is easier for me if paying in Euros or Dollars but overseas customers can pay by STERLING international money order if they prefer.

Please make out cheques to K.P.Vickery

If sending a cheque you may prefer to endorse it , Not to exceed 'X' number of pounds, 'X' being the anticipated maximum cost of the order, If you do this please leave enough space for me to fill in the actual amount
