

## GLEN CHANTRY

### RESTING BULB LIST 2017 [UK]

Almost all the snowdrops offered in our list are grown in carefully labelled pots in narcissus fly proofed shade tunnels. The huge majority offered have been grown from twin scales; some have been grown on from the garden. They have all been checked to the very best of our ability as true to name and healthy at flowering time. The bulbs are also checked carefully before dispatch when they can be easily seen and examined.

We do not issue an 'In The Green' list. We hope to sell special snowdrops at events during January and February 2018.
