

Use of collection numbers becomes very dubious after a few years from the original collection. When I obtain seed with collection numbers I leave the number on so you can decide whether to retain it.

No.	Name	Description
1	abantensis	
2	adanensis	
3	ancyrensis	
4	angustifolius	
5	asumaniae	
6	atticus	
7	banaticus	
8	banaticus ex 'Snowdrift'	A white flowering banaticus selection from Janis Ruksans, not sure how true it comes from seed.
9	baytopiorum	
10	biflorus ex Rhodos	
11	bolensis	
12	boryi	
13	boryi x tournefortii	
14	cambessedesii	(cormlets)
15	cappadocicus	
16	carpetanus	
17	cartwrightianus	
18	cartwrightianus	(Wild collected - Oros Merenta, (Greece)) With dark purple stripes.
19	cartwrightianus	(Wild collected – Syri (Greece)) Dark purple striped.
20	cartwrightianus ex 'Halloween'	
21	cartwrightianus ex 'Marcel'	
22	cartwrightianus ex 'Michel'	
23	cartwrightianus ex Attica (Greece) LEE520	
24	cartwrightianus var. creticus (NW Crete)	This Cretan form is smaller than the form from the Greek mainland.
25	caspius	
26	chrysanthus	
27	chrysanthus ex Mt. Ossa (Greece)	
28	chrysanthus var. brunellus	Described in 1975, no longer recognized as a separate variety.
29	clusii	
30	cvijicii	
31	cvijicii ex Vermion (Greece)	
32	dalmaticus ex Petrovac form	
33	danfordiae	
34	danfordiae (ex dark yellow)	
35	danfordiae (very small form)	(cormlets)
36	dispathaceus	
37	etruscus	
38	flavus	
39	fleischeri	
40	gargaricus	
41	gilanicus	
42	goulimyi	
43	goulimyi	(cormlets)
44	goulimyi 'Mani White'	(cormlets)
45	goulimyi ex 'Mani White'	
46	goulimyi var. leucantha	
47	hadriaticus	

No.	Name	Description
48	hadriaticus ex 'Anabelle'	
49	hadriaticus ex 'Purple Heart'	
50	hadriaticus subsp. parnassicus	
51	hatayensis	First time offered on this list, Syrian species named in 2018, split from <i>Crocus kotschyanus</i> .
52	heuffelianus	
53	ibrahimii	First time offered on this list, Turkish species, member of the <i>speciosus</i> group.
54	imperati	
55	kerndorffiorum	
56	korolkowii	
57	kosaninii	
58	kotschyanus	
59	kotschyanus	(cormlets)
60	laevigatus	
61	laevigatus	(cormlets)
62	ligusticus	
63	longiflorus	
64	longiflorus ex MS968	
65	lycicus	
66	malyi	
67	mathewii	
68	mathewii	(cormlets)
69	mathewii ex 'Pink Princess'	
70	mazziaricus	
71	mazziaricus	(Wild collected - Oros Merenta, (Greece))
72	melantherus	(cormlets)
73	minimus ex 'Bavella'	
74	minimus ex LB699	Dark flowering form
75	neapolitanus	
76	neglectus	
77	nevadensis	
78	niveus	
79	niveus ex BeM 8066A	
80	niveus ex clear blue	
81	niveus ex fully white	
82	nudiflorus	
83	nudiflorus ex 'Orla'	White selection coming true from seed
84	ochroleucus 'Dalton White' ex OP28097	
85	ochroleucus 'Dalton White' OP28097	(cormlets)
86	olivieri	
87	oreocreticus	
88	pallasii	
89	pallasii	(Wild collected - Mt Hymettus (Greece)) From the only known <i>C. pallasii</i> population west of the Bosphorus.
90	pallasii ex 'Alba'	
91	paschei	
92	paschei ex HKEP9034	
93	pelistericus	(cormlets - damp wrapped)
94	pelistericus	

No.	Name	Description
95	pelistericus ex Kymachalan (Greece)	
96	pseudonubigena	
97	pulchellus	
98	pulchellus	(cormlets)
99	pumilus	
100	reticulatus	
101	salzmannii	
102	salzmannii ex 'El Torcal'	
103	serotinus	
104	sieberi	
105	sieberi 'Hubert Edelsten'	(cormlets)
106	sieberi ex Cedric Morris	A December flowering form of sieberi
107	speciosus	
108	speciosus	(cormlets)
109	speciosus 'Alba'	(cormlets)
110	speciosus ex 'Conqueror'	
111	speciosus ex Warley Place	Seeds collected in the former garden of Miss Ellen Willmott.
112	suaveolens	
113	sublimis	
114	sublimis ex 'Tricolor'	
115	suworowianus	
116	taseliensis	First time offered on this list, Turkish species.
117	tauri	
118	thomasii	
119	tommasinianus	
120	tommasinianus 'Alba'	(cormlets)
121	tommasinianus 'Claret'	(cormlets)
122	tommasinianus 'Pictus'	(cormlets)
123	tommasinianus ex 'Eric Smith'	
124	tournefortii	
125	turcicus	
126	turcicus	(cormlets)
127	vallicola	
128	veluchensis	
129	veluchensis ex leucostigma	This form has a white stigma instead of the "normal" orange one.
130	vernus	(Wild collected - Prolagnon (France))
131	vernus ex isolated white flowering population	
132	vernus ex 'Purple Desire'	
133	vernus ex albiflorus	
134	violaceus	
135	wattiorum	
136	weldenii	
137	xantholaimos	
138	xantholaimos ex LB 593	(cormlets)
139	zubovii	
140	Dutch garden hybrids	
141	'Snowbunting'	
142	'Sunspot' x gembosii	

Collections:

LB = Lovell and Bird

LEE = L. Scheldeman

MS = Mike Salmon

OP = O. Peri

HKEP = Helmut Kerndorff & Erich Pasche
